Price £8.

No. 2.—Plain table, with large drawer and paneled cover.  
Price £9.

## THE "DAVIS"

No. 3.—Fancy cover, on drop-leaf table with large drawer.  
Price £9 10s.

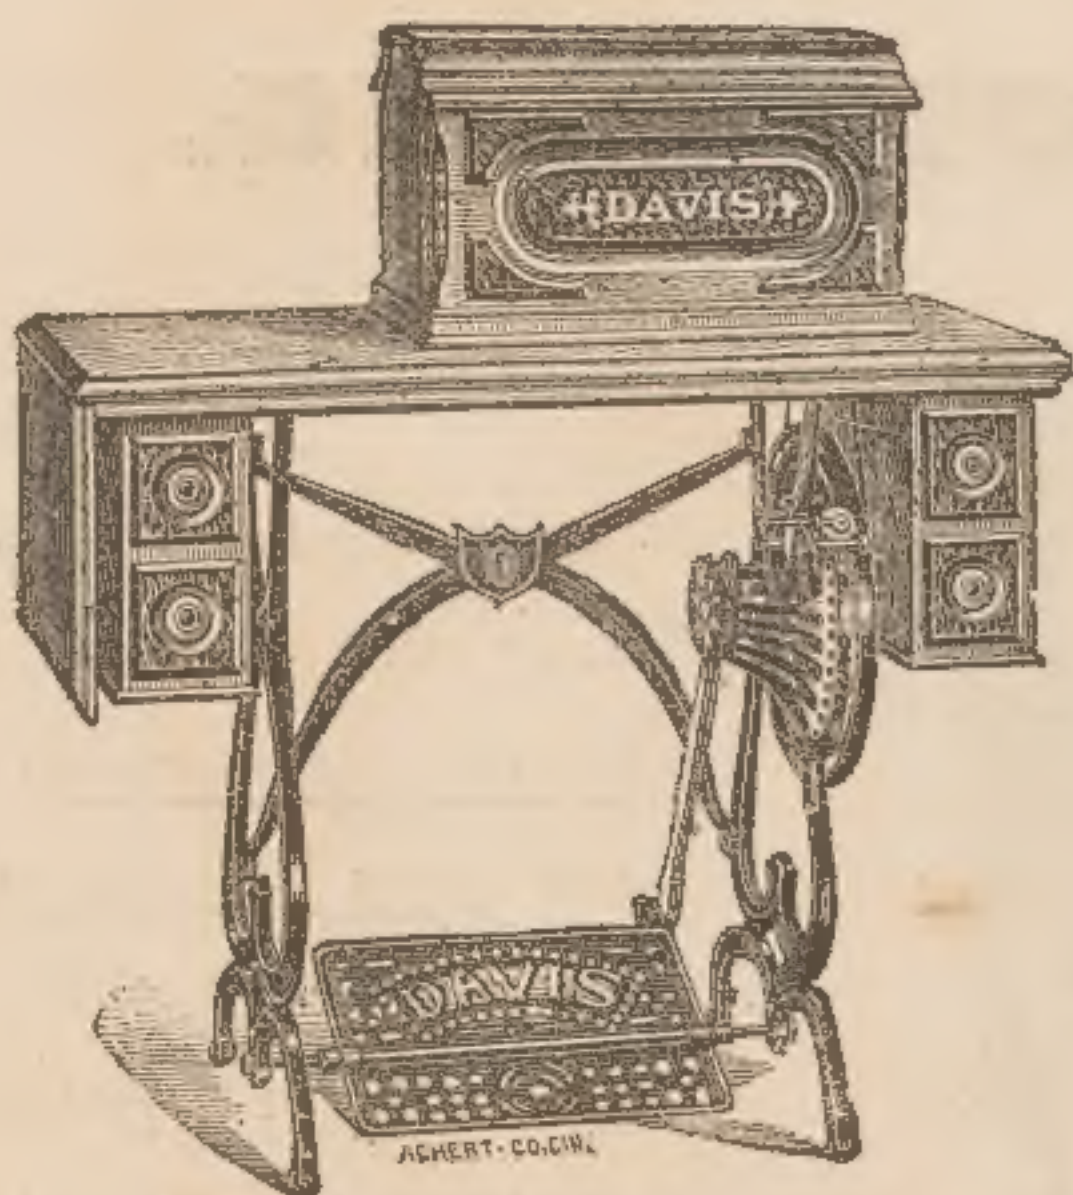

No. 4.—Fancy cover, on drop-leaf table, with case of two drawers.  
Price £10 10s.

The following Accessories are furnished FREE with each Machine, viz.:—

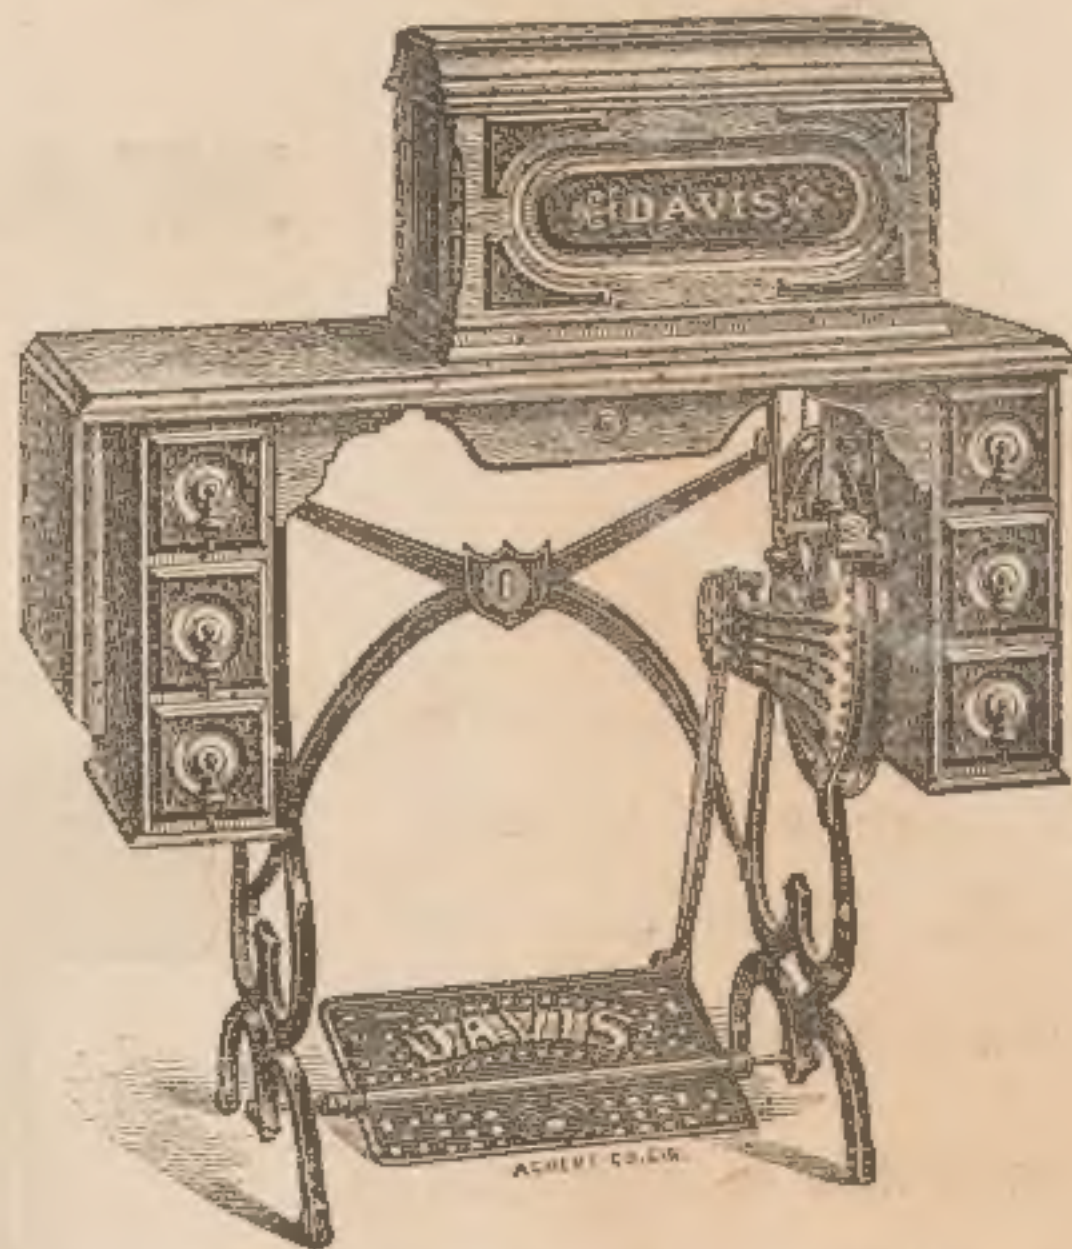

Ruffler, Tucker, Binder, Two Hemmers, Braider, Quilter, Gauge and Self-Sewer, Braider Screw, Gauge Screw, Oil-Can (filled), Two Screw-Drivers, Six Bobbins, Twelve Needles, and a very complete and fully Illustrated Book of Directions, by which the use of the Machine in all varieties of work can readily be understood and learned without the aid of an Instructor.

No. 8.—Fancy cover, on moulded table having extension leaf and a case of two drawers at each end.

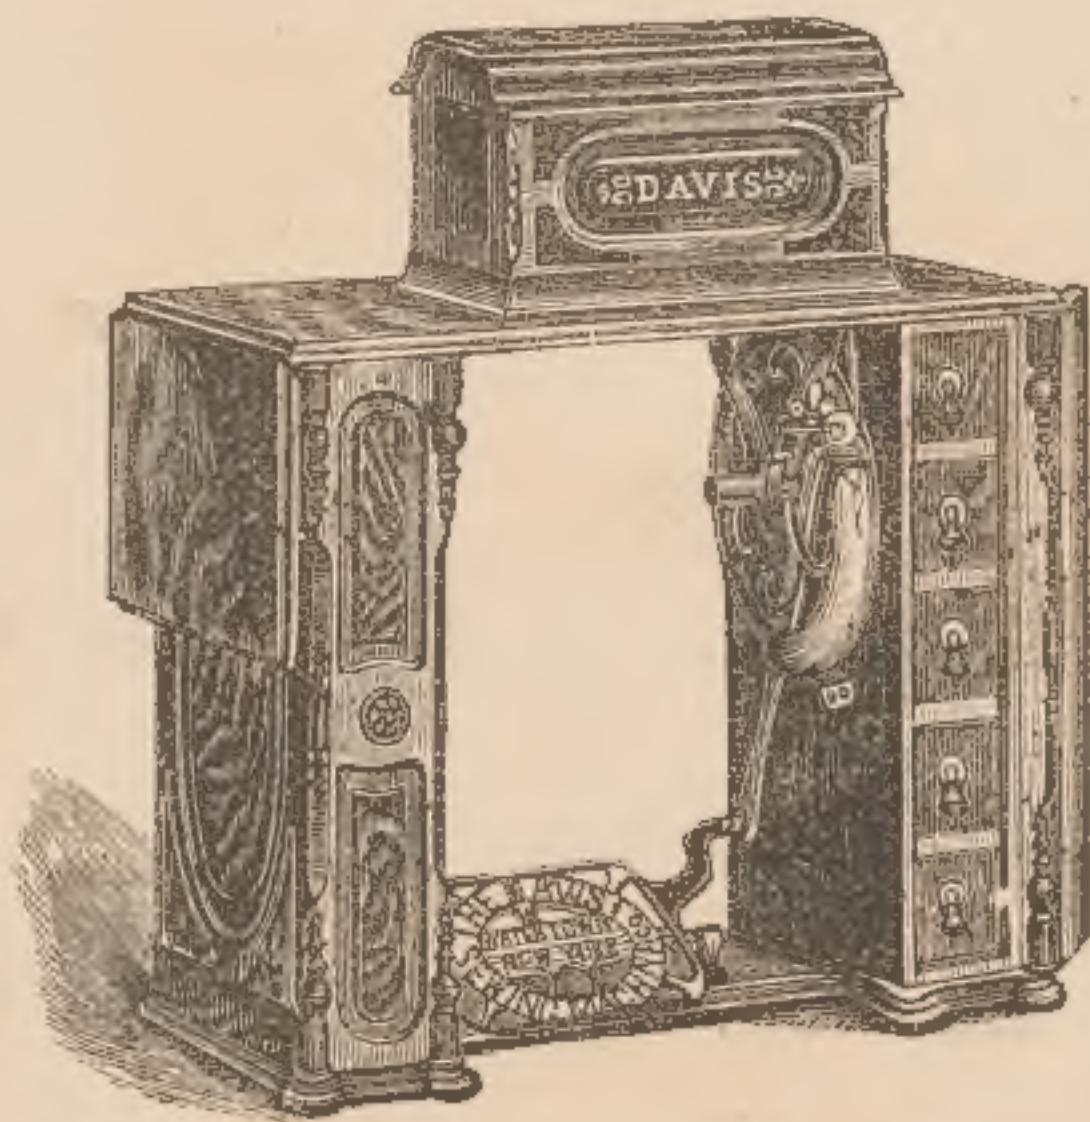

Price £11 10s.

No. 10.—Fancy cover, on drop-leaf table, with case of three drawers (drop knobs) at each end, and swing drawer and brackets in centre.

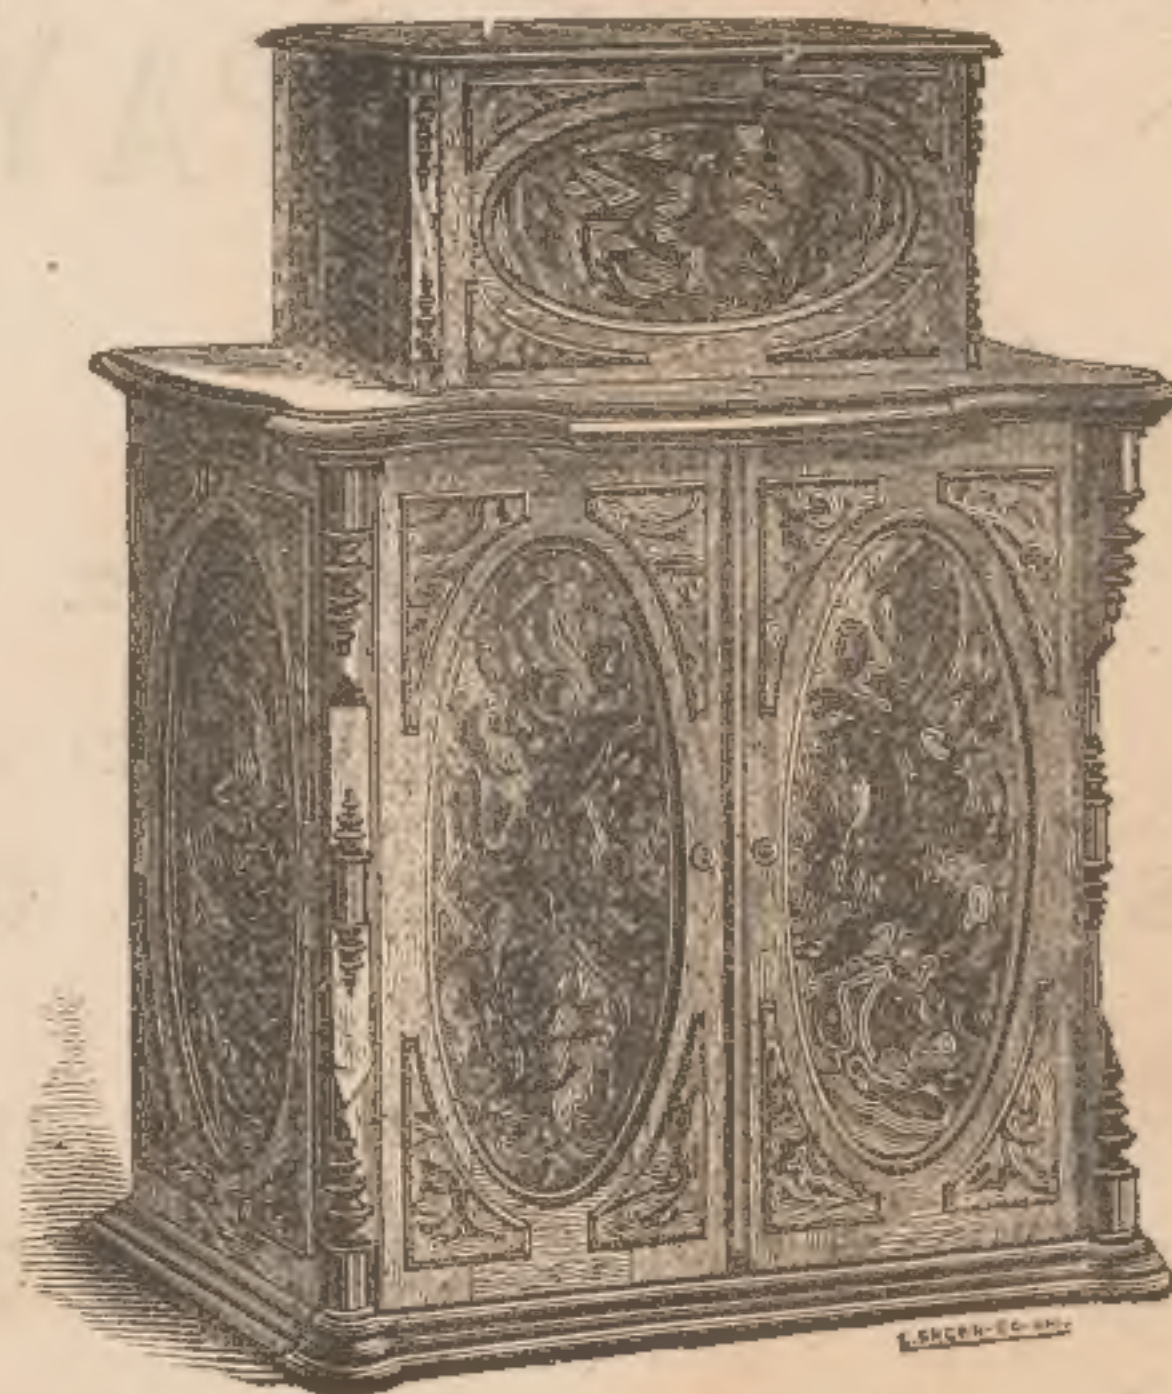

Price £13.

## FAMILY MACHINES.

No. 9.—OPEN CABINET. A finely finished case, having five large drawers at one side and convenient compartment for work at the other, with extension leaf and fancy cover.

Price £16.

No. 6.—FULL CABINET. An elegantly finished black walnut case, with French veneered oval panels, five drawers and folding cover, and is handsomely lined and highly polished.

Price £20.

The following Accessories are furnished FREE with each Machine, viz.:—

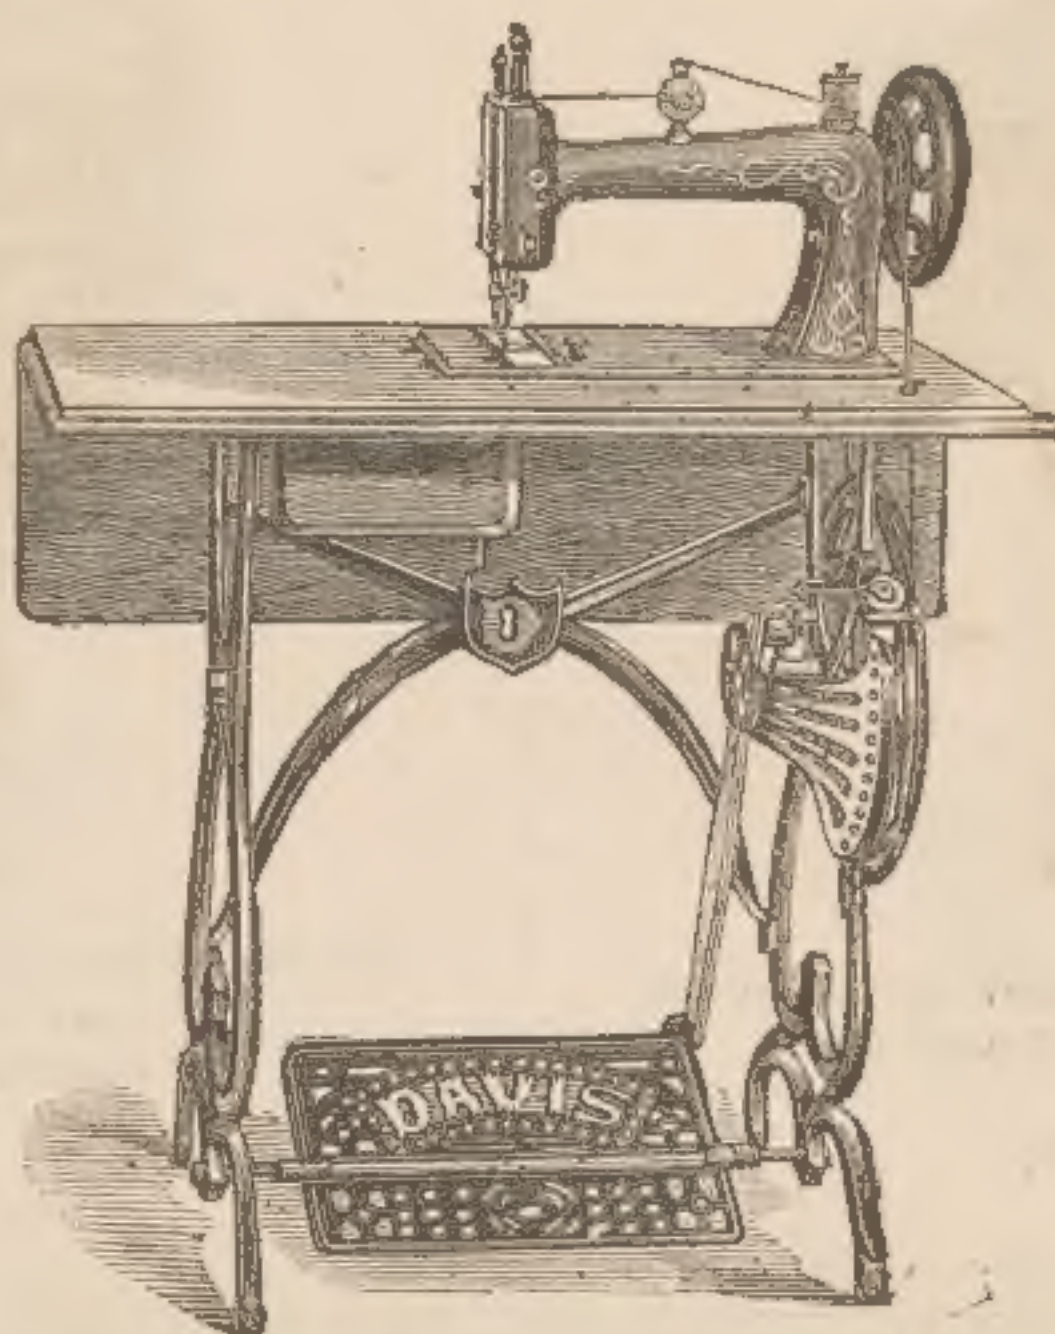

Ruffler, Tucker, Binder, Two Hemmers, Braider, Quilter, Gauge and Self-Sewer, Braider Screw, Gauge Screw, Oil-Can (filled), Two Screw-Drivers, Six Bobbins, Twelve Needles, and a very complete and fully Illustrated Book of Directions, by which the use of the Machine in all varieties of work can readily be understood and learned without the aid of an Instructor.

## NEW MANUFACTURING.

Extension leaf table, with large drawer. A table with leaf at back side instead of at the end, will be furnished if desired.

This Machine is arranged with especial reference to the varied requirements of general manufacturing in cloth and leather.

Price £9 10s.

Manufacturers who have used this Machine unanimously recommend it as the best in the market for general manufacturing purposes. It is easily adapted to many special styles of work which can be done ONLY on the "Davis" Vertical Feed Sewing Machine.
